BACHOME
BRING ABDUCTED CHILDREN HOME

- **Over 321 confirmed abductions of American children to Japan since 1994.**
- **No child abducted to Japan has ever been returned home.**
- **Children and parents are suffering from this terrible injustice.**

BAC Home is an organization dedicated to raising awareness and facilitating the return of at least 321 United States citizen children kidnapped to and/or wrongfully retained in Japan. BAC Home stands behind Japan in their efforts to repair the damage caused by the tragedies in March 2011. To protect our abducted children from further natural disasters and nuclear radiation fallout, please bring them home.
